

Please disregard the 48 hour notice from Citizens for Turner dated 10/17/10. The contributions listed on this report were reported in error, as they were previously reported on the 2010 Pre-General Report. This occurred when duplicate check copies were made and input at different times. The two donors were Beverly Shillito and James Strausburg. The contribution from James Strausburg was correctly reported from his spouse, Virginia Strasuburg on the pre-general report, as she was the check signer.
